COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-

383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held February 12, 2008, the Board took the following action:

2

Supervisor Antonovich made the following statement:

“Ensuring that developers adhere to conditions of approval placed on projects is vital to the residents affected by development in their communities. My office has continually asked that the conditions of approval related to trails for the Indian Falls and Indian Spring projects in Chatsworth be met. However, as of today, these conditions have not been met. It is imperative that the County monitor approved developments to ensure that all conditions are being met.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried, the Board directed the Chief Executive Officer and County Counsel to coordinate with the Directors of Planning, Public Works and Parks and Recreation to report back to the Board within 15 days with a detailed action plan and timeline, for completion of the partially complete and incomplete trail conditions of the Indian Falls and Indian Springs developments in Chatsworth; and to provide a monthly status report to Supervisor Antonovich's office regarding the unmet Indian Falls and Indian Spring's conditions, with the first report due on March 4, 2008.
